LIFE'S A HAPPY SONG

Ev'rything is great, ev'rything is grand.
I got the whole wide world in the palm of my hand.
Ev'rything is perfect, it's falling into place,
I can't seem to wipe this smile off my face.
Life's a happy song when there's someone by my side to sing along.

~

When you're alone life can be a little rough,
It makes you feel like you're three foot tall.
When it's just you, well, times can be tough,
When there's no one there to catch your fall.

~

Ev'rything is great, ev'rything is grand.
I got the whole wide world in the palm of my hand.
Ev'rything is perfect, it's falling into place,
I can't seem to wipe this smile off my face

~

Life is like a rose, with someone to paint and someone to pose.
Life's a piece of cake, with someone to pedal and someone to brake.
Life is full of glee, with someone to saw and someone to see.
Life's a happy song, when there's someone by my side to sing along.

~

I've got ev'ry thing that I need, right in front of me.
Nothing's stopping me nothing that I can't be when you're right here
next to me.

I've got ev'ry thing that I need, right in front of me.
Nothing's stopping you, nothing that you can't do, that the world can
throw at you.

~

Life's a happy song when there's someone by your side to sing.
Life's a happy song, when there's someone by your side to sing.
Life's a happy song when there's some-one by your side to sing
along.

ME PARTY

VERSE

I look around, and once again, I'm on my own

My man ain't here, he's gone and done me wrong.

No one's gonna stop this girl from having fun.

I throw my hands up high and have a party for one.

CHORUS

I'm having a me party a party by myself.

A me party, I don't need nobody else.

I'm having a me party, I'm the first and last to show.

There's no one at this party that I don't already know.

I'm having a me party, haven't I seen you here before?

A me party, I'm the last one on the dance floor.

Me party - a party just for moi.

Me party - it's a solo Mardi Gras.

Having a me party- I'm such good company.

A me party - I'll save the last dance for me.

Ah, what happens at the me party, stays at the me party!
